JULY-AUGUST 2010

THANKS FOR JOINING US TODAY.

We hope you find our church family to be warm & welcoming, & that our gathering gave you a taste of life in The City Church. Our church, which started in January 2010, is made of "Villages," or communities on mission all across Fort Worth.

Villages spend time together throughout each week & live out our Gospel identities together. We are WORSHIPERS, so we encourage each other from the Bible, toward glorifying God in all things. We are FAMILY, so we do life together, pray for each other, & meet each others' needs. We are MISSIONARIES, so we strive to live everyday with Gospel Intentionality, regularly carving out time to love neighbors & serving our city together.

Villages are imperfect communities, living as the church in neighborhoods, apartments, dorms, & lives. We encourage you to find a Village that fits your schedule & location, to plug in to life in our church family. [Have kids? Look for *KidCity* below] Again, welcome to The City!

WE DON'T WANT TO FILL YOUR SCHEDULE...

...with "churchy" things. In fact, we'd rather give you as much time as possible to spend with your Village, neighbors, co-workers, classmates, etc, as communities on mission. So we plan events in The City Church with caution, prayer, & intentionality.

In addition to the all-church events listed below, Villages & individuals often post events of all kinds in our online network - THECITYCHURCH.ONTHECITY.ORG. And if there's something you'd like to see happen, we invite you to create an event in our online network & share it with the church family!

In addition to weekly Villages & events YOU create & post online, here's what's happening this season in City Life:

- SUNDAY JULY 4** **LOVE YOUR NEIGHBORS:** A July 4th party at our Samuels Ave Building, with music, food, & great views of the downtown fireworks - 6pm on; bring folks & enjoy a great celebration! [715 Samuels Ave, 76102]
